Parent Questionnaire

Thank you for completing our parent questionnaire at the end of the summer term - we received 122 responses. These have now been collated and we are delighted to see the very high number of positive responses. Whilst the results show that we are getting many things right, we also take seriously the concerns that a few parents raised. If you would like to see the results of the survey, they are on our website and attached.

Over the next few weeks we will share with you how we take on board your many helpful comments and views.

Together we can do it!

We are trying again to get some volunteers to help with our gardening beds - Tuesday 4th 3.30 - 4.30 is the date and time to come along in old clothes with a spade for a bit of a digging workout. Many hands make light work!

If digging is not for you...we also have some paint left over from the Magic Square which we would like to use to brighten up the old existing playground markings. If the sun is shining on Tuesday come and grab a paintbrush and help!

Playground Fun!

The children are enjoying playing twister in the playground!

Harvest

On Monday we would welcome donations of food which we can send to the foodbank as part of our Harvest celebration.

On Tuesday the children will be celebrating Harvest. As part of our assembly, we will share with the children how the Cranleigh Foodbank works to support and help our wider community.

Thank you for your support.

Maths text books

Due to the generosity of a couple of very generous

parental donations and contributions from our PTA we have now purchased a new maths scheme to support our children in Maths

Thank you!

Parents evening 9th & 10th October

Bookings for parents evening can now be made on-line. We encourage you to, if possible, bring your child to the meeting.

Welcome to our Food Council Representatives:

Year 3: Noah Wiggin, Nicolle Sklenar, Jessica Davis
Year 4: Amy McFetrich, Rocky Lloyd
Year 5: Oliver Short, Niamh O'Neill
Year 6: Luke Huet, Connor Marchant

Together with Ms Idiens, Ms Wijnja and the catering staff from Surrey we talk about the school menu and help decide by tasting what goes on future menus.

Willow Tree

In our newly created quiet play area there was much excitement as our great willow tree needed a drastic cut this week. It will sprout again and in the meantime we are pleased to have logs for our play area and mulch for the woodland paths!

Cycle to school

We greatly support healthy cycling to school. However we have been asked to pass on concerns that bikes riding on the pavement outside of school are potentially dangerous to pedestrians. Please take care and safely share the access to school.

Flu Immunisation Sessions

Years 3 & 4 Flu Immunisation Day is scheduled for 24th November.

Parental information packs will be sent home with Year 3 & 4 children next week, please return the consent forms by Friday 13th October 2017.

In preparation for the session you may like to show the children the animated Flu Heroes clip:

No Parking on the front field

As the weather gets colder and wetter the field turns into a muddy mess where cars get stuck. We are fortunate at Tillingbourne that parents and carers are able to use the school grounds for parking - however once the field is closed this becomes very busy. To help this work as well as possible:

- Park in a bay - accompany your child to the gate - promptly leave. So that your carpark space can be freed up
- Be patient and courteous - safety is the most important element of

getting the children to school

PTA News

PTA AGM: Our first meeting and AGM is next Thursday Oct 5th 7.30pm at the school. We always try to wrap everything up inside an hour. Wine and beer will be served :-). See you there!

PTA Helping Out: If you can't make the AGM but would like to assist with event organising or simply help out on event days then please let us know at

pta.tillingbourne@gmail.com.

We want to compile a new list of people to contact as each event enters the planning stage. Thank you!

PTA Halloween Disco: We are starting to plan the Halloween disco on the 19th of Oct. If you'd like to help out on the night please let us know. A flyer about the event will be sent home next week in book bags. It's going to be spooky :-0

All the best,

The PTA Team.
